WELCOME

Dear Colleagues,

We are pleased to invite you to MSToronto2026 – the 10th triennial joint meeting of the Americas Committee for Treatment and Research in Multiple Sclerosis (ACTRIMS) and the European Committee for Treatment and Research in Multiple Sclerosis (ECTRIMS). The meeting will take place **October 21–23, 2026**, at the Metro Toronto Convention Centre in Toronto, Canada.

It has been 12 years since this international joint meeting was held in-person in North America, and we are thrilled to unite researchers, clinicians, and healthcare professionals from around the world to explore the latest advancements in multiple sclerosis and other demyelinating diseases. MSToronto2026 will offer unmatched access to expertly curated scientific and educational sessions, platform presentations highlighting novel discoveries and clinical applications, oral and poster presenters, and invaluable networking opportunities with experts in the field – all while driving forward the mission to improve the lives of those affected

by MS. Committed to knowledge dissemination, MSToronto2026 will be in a hybrid format, ensuring the seamless integration of in-person and virtual attendees.

Known for its multicultural diversity, Toronto is the perfect destination to foster inclusivity through two additional educational opportunities. The MSToronto2026 Pre-Day is dedicated to pediatric MS as well as rare inflammatory autoimmune diseases like NMOSD, MOGAD, and autoimmune encephalitis. Patient Community Day will feature invited speakers from MSToronto2026 sharing highlights of their presentations and research from the perspective of “what this means for people living with MS.”

The success of MSToronto2026 is not possible without Industry Supporter partnerships. Exhibition, Business Suite, and Executive Suite spaces are available to foster collaboration and connection. Or consider sponsoring an educational presentation through an Industry Showcase or Industry Supported Satellite Symposium or Non-CE Presentation. A variety

of sponsorship opportunities to showcase your corporate or product branding are also available. On behalf of the [ACTRIMS](#) and [ECTRIMS](#) Board of Directors and the [Scientific Program Committee](#), we appreciate your support and look forward to welcoming you to Toronto.

Warm regards,

Daniel Ontaneda

PRELIMINARY PROGRAM

The Scientific Program Committee is currently finalizing the program structure to provide a valuable MSToronto2026 experience for both in-person and virtual registrants. The preliminary program will be announced in March 2026 and available on www.MSToronto2026.org. In the meantime, please note the following key points:

- There will be up to eight parallel scientific session rooms.
- All Industry Supported Satellite Symposia and Non-CE Presentations will be 60 minutes. Slots will be offered Wednesday, October 21 and Thursday, October 22 during lunch. Additional slots will be offered Thursday, October 22 and Friday, October 23 during breakfast.
 - Up to four slots may run in parallel during lunch
 - Up to three slots may run in parallel during breakfast
- Industry Showcases are 20-minute presentations which will take place during coffee and lunch breaks in the Industry Showcase Theater in the exhibition hall.
- Brain Exchange Community Discussions are 45 minutes during lunch in convention center meeting rooms.

MEETING VENUE

The **Metro Toronto Convention Centre** is a world-class venue located in the heart of Toronto and steps from some of Canada's most exciting attractions, as well as the Financial & Entertainment Districts, diverse culture and cuisine, and convenient public transit systems. Discover more and plan your Toronto experience [here!](#)

Attendees can access the Centre directly from Pearson International Airport with a 25-minute

air-rail ride. A convenient indoor tunnel connects travelers to the InterContinental and Delta Hotels, Union Station, and UP Express. Use the [TTC Trip Planner](#) for trips within Toronto or [VIA Rail](#) for travel outside the city.

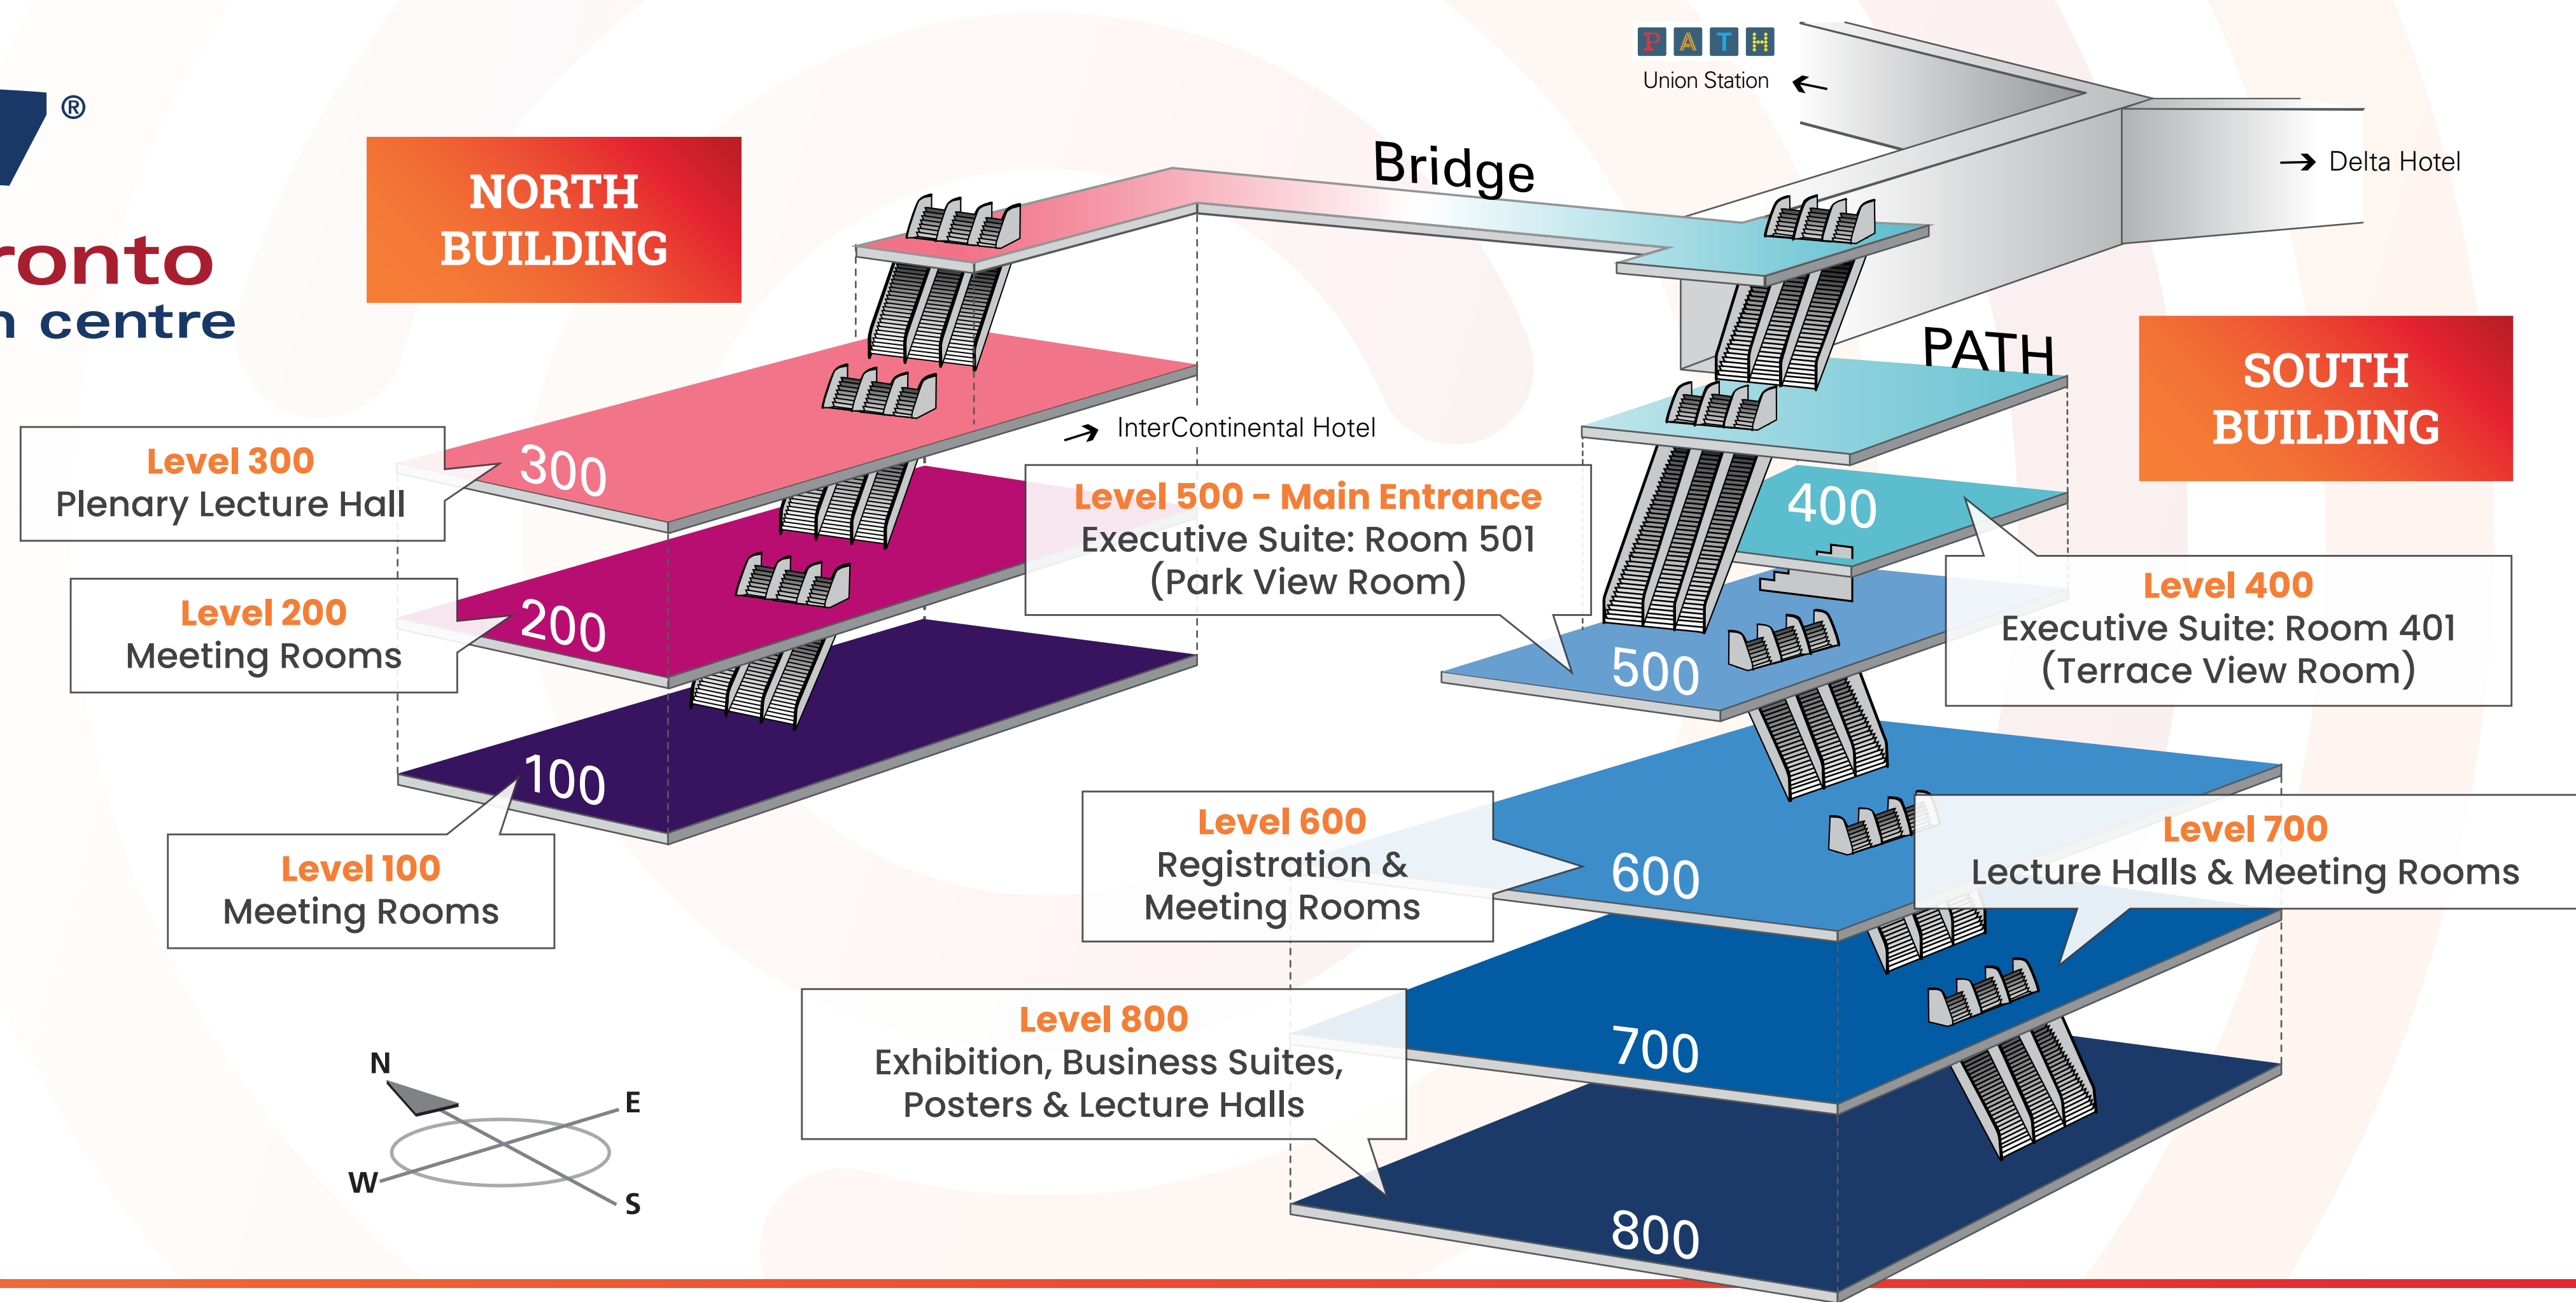

All MSToronto2026 activities will be held in the South Building, except for the Opening Plenary (Wednesday) and Closing Plenary (Friday). The exhibition halls in the South Building divide into four sections. With

200,000 sq. ft. of flexible space, Halls DE will be the go-to space for Industry related activities and one-of-a-kind networking opportunities. Here you will find the Exhibition, Business Suites, poster displays, and the Industry Showcase Theater.

Floorplans, capacity charts, and virtual tours are available [online](#).

MEETING VENUE - FLOORPLAN

WHY SUPPORT MSTORONTO2026?

1. Build brand awareness

MSToronto2026 will be the largest international gathering of top global thought leaders in the field of MS and related disorders, making it the premier opportunity to showcase your organization's products or services. With a variety of marketing and sponsorship opportunities, support of MSToronto2026 will build brand awareness and drive your message directly to HCPs and media from around the world.

2. More productive networking & collaboration

Take advantage of the face-to-face time that MSToronto2026 offers to meet with and gain insight from key MS medical experts at the forefront of science who evaluate, prescribe, and recommend your products or services.

3. Maximize your time

This one-of-a-kind joint meeting offers a unique opportunity to connect with clients, prospects, and colleagues – building relationships and generating valuable leads from thousands of attendees in just a few days.

SPONSORSHIP

All prices are in USD. MSToronto2026 adheres to the Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence in Accredited Continuing Education, under which some opportunities permit only corporate branding while others allow corporate or product branding. Please review the descriptions carefully.

Industry Supporters must complete the online [Sponsorship Request Form](#) to indicate their preferred sponsorship opportunities. Requests received by **Thursday, January 29, 2026**, will be prioritized and assigned according to the Industry Supporter's total contribution to MSToronto2026. All remaining opportunities will be sold on a first-come, first-served basis. All assignments are final.

In addition to the recognition outlined with each opportunity, sponsors will receive corporate logo recognition on the

MSToronto2026 website with a link to their corporate website, recognition on select onsite signage, and a company listing with a link to their corporate website in the Digital Platform and Event App.

Sponsorships do not include displays, stands, or special setups of any kind for additional Industry Supporter materials such as prescriber information (PI), etc. Industry Supporters promoting product information must design their sponsorship graphics to meet any internal and/or regulatory requirements without special setup needs. Sponsorship graphics should direct attendees to Exhibit Booths, Business Suites, Executive Suites, product websites, or other resources to collect this information.

SPONSORSHIP

EDUCATIONAL OPPORTUNITIES

Patient Community Day

Patient Community Day on **Friday, October 23, 2026**, is an important opportunity for individuals affected by MS and related neurological conditions, along with their caregivers, to stay up to date on the latest advancements in diagnosis, treatment, and rehabilitation, while staying engaged in their journey toward better care and quality of life. Attendees will connect with the scientific community both in person and online, explore the latest research from MSToronto2026, and actively engage in meaningful discussions that amplify their voices.

Supporting Patient Community Day offers a full year of engagement and visibility (July 2026 – June 2027) on the official Patient Community Day website, with your brand featured in:

- Regular newsletters to participants and stakeholders
- A year-round communications campaign
- A promotional toolkit for your outreach
- A targeted three-month pre-event campaign

\$37,000

Industry Supporters will receive corporate logo recognition on the Patient Community Day website and on banners positioned near the supporter's common tabletop, which will display printed patient programs that the sponsor provides in advance. Industry Supporters will also be acknowledged during the opening remarks. Four Patient Community Day Delegate registrations are included.

After the event, all stakeholders will receive an impact report highlighting key moments and actionable outcomes.

Please note, management of sponsorship benefits and deliverables for Patient Community Day and website will be handled by ECTRIMS. If you would like to sponsor Patient Community Day, please indicate your interest in the [Sponsorship Request Form](#) and ACTRIMS will notify ECTRIMS accordingly.

SPONSORSHIP

EDUCATIONAL OPPORTUNITIES

ePoster Stations

Offer attendees an easy and efficient way to view digital posters by supporting the ePoster stations. The Industry Supporter's corporate logo will be featured on the backdrop of the stations and on the start screen of each kiosk. Production is included.

\$20,000

Pre-Day

Over 1,000 participants are expected to attend the Pre-Day on **Tuesday, October 20, 2026**. The program will include plenary talks and specialized tracks focusing on pediatric MS as well as rare inflammatory autoimmune diseases like NMOSD, MOGAD, and autoimmune encephalitis. Each track will provide a focused setting for in-depth discussions on recent medical advancements in these specialized fields.

\$15,000

Industry Supporters will receive corporate logo recognition on the Pre-Day webpage, linked to the supporting company's corporate website, as well as in select onsite signage, and verbal acknowledgement of support during opening remarks. Two Pre-Day Delegate registrations are also included.

SPONSORSHIP

EDUCATIONAL OPPORTUNITIES

Brain Exchange Community Discussion

\$10,000

Sponsor a moderated discussion on current scientific topics in an informal setting. Industry Supporters may suggest discussion topics for the Scientific Program Committee's consideration; these must have an education focus and cannot be product-specific. Possible areas of focus include the role of AI in MS research and care, clinical trial recruitment challenges, and obstacles to advancing personalized medicine. Each Brain Exchange will be facilitated by two moderators selected by the Scientific Program Committee, which will also have final approval over both the chosen topic and the moderator assignments. The Industry Supporter's corporate logo will be featured on the Catchbox microphone used by participants during the discussion.

These 45-minute discussions will not be live streamed nor recorded; they will only be held live during the lunch break in meeting rooms. There is no scientific program running in parallel.

SPONSORSHIP

BRANDING & ADVERTISING OPPORTUNITIES

Wi-Fi

Internet access will be available throughout the MSToronto2026 meeting space at the Metro Toronto Convention Centre. The Industry Supporter's corporate logo will be featured on the Wi-Fi landing page. Attendees will connect to the MSToronto2026 network and enter a password which will be the Industry Supporter's corporate name. The Industry Supporter will be recognized on select print and electronic materials promoting Wi-Fi access.

SOLD

Event App

The MSToronto2026 Event App is the best tool for attendees to navigate the meeting. Through the Event App, attendees can access the program schedule, live stream, ePosters, Industry Supporter listing, general meeting information, and more. Attendees can even submit questions to presenters. The Event App splash page will feature the Industry Supporter's corporate logo. The Industry Supporter may also design a digital advertisement featured in the Industry Hub area of the Event App. The Industry Supporter will be recognized on select print and electronic materials promoting the Event App.

\$50,000

SPONSORSHIP

BRANDING & ADVERTISING OPPORTUNITIES

Charging Cubes

The 600 Level of the Metro Toronto Convention Centre will be attendees' first touchpoint before entering MSToronto2026 lecture halls. This area will feature the Registration Helpdesk and multiple seating zones where attendees can casually network and recharge their mobile devices. Across the 600 Level, five seating areas will be set up, each with two charging cubes displaying the Industry Supporter's corporate or product branding and comfortable lounge-style seating. Production is included.

\$35,000

Hotel Room Key and Sleeve

Attendees checking in under the official MSToronto2026 hotel block at three of the largest partner hotels – the Chelsea Hotel Toronto, the Fairmont Royal York, and the InterContinental Toronto Centre – will receive a custom-branded hotel key card and sleeve. Support this item and you will be “in the pocket” of every attendee. Only corporate branding is permitted. The Industry Supporter will brand the key card, while the sleeve branding will be shared between MSToronto2026 and the Industry Supporter. Production is included.

\$30,000

SPONSORSHIP

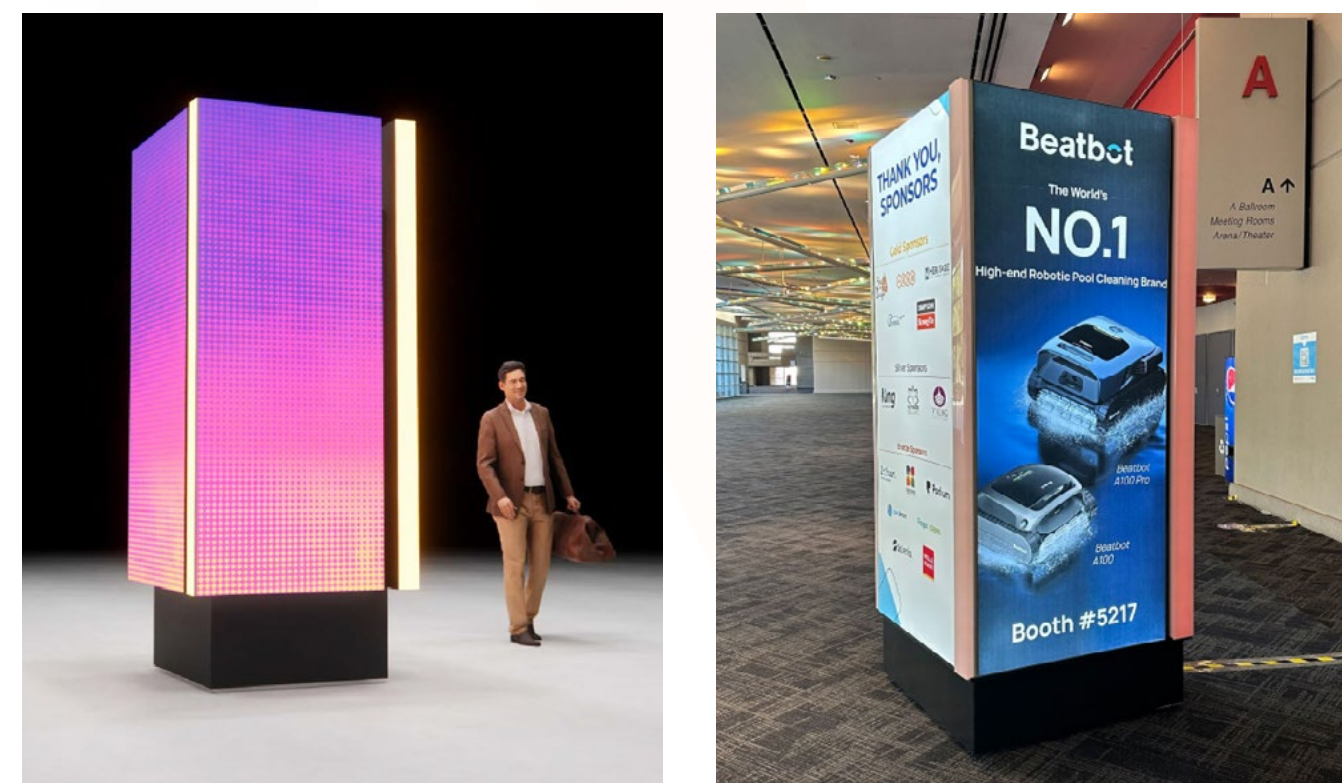

BRANDING & ADVERTISING OPPORTUNITIES

Hydration Stations

\$30,000

Hydration stations will be placed throughout the exhibition hall. Each station will feature a nearly 8-foot-tall custom sign prominently displaying the Industry Supporter’s corporate or product branding. The top portion of the sign will include a standardized event banner (designed by ACTRIMS) to clearly indicate that it is a water station. The remaining area of the sign will be fully customizable and designed by the Industry Supporter, allowing space for corporate or product branding. Production is included.

Lighted Advertising Kiosk

SOLD

Showcase your company’s corporate or product branding on a four-sided, illuminated, rotating advertising tower in the exhibition. This eye-catching display offers maximum visibility and a unique opportunity to showcase your custom-designed artwork to thousands of attendees. Production is included. Limit one per Industry Supporter. Multiple opportunities are available.

SPONSORSHIP

BRANDING & ADVERTISING OPPORTUNITIES

Tabletop Branding

High-top tables will be strategically placed throughout the exhibition hall. Adhesive graphics displaying the Industry Supporter's corporate or product branding will be affixed to the tables. Production is included. Two opportunities of ten high-top tables near food and beverage stations are available. Limit one opportunity per Industry Supporter.

\$20,000

Hand Sanitizer Stations

Hand sanitizer stations are provided throughout the exhibition hall to reduce germs and refresh attendees' hands. The Industry Supporter's corporate or product branding will be featured on each station's structure. Production is included.

SOLD

SPONSORSHIP

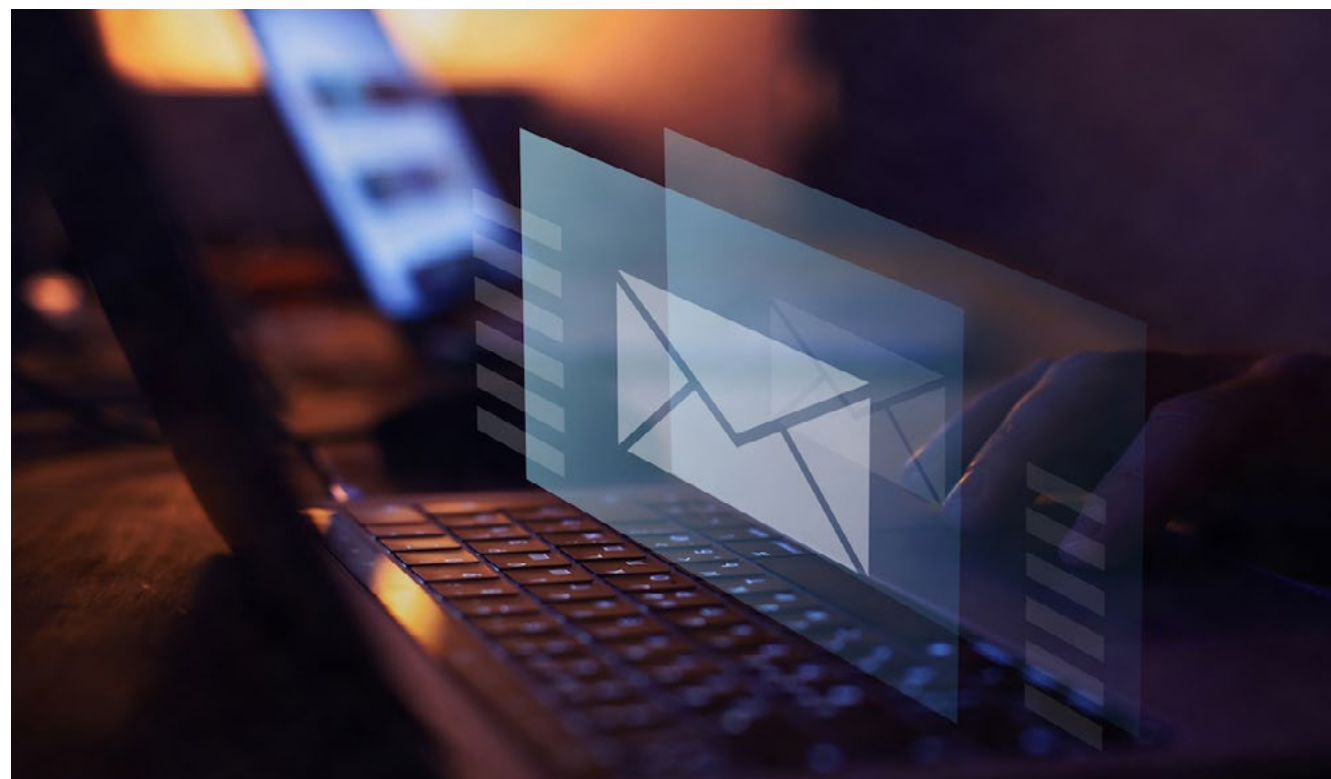

BRANDING & ADVERTISING OPPORTUNITIES

Virtual Briefcase Insert

As part of MSToronto2026's sustainability commitment, registration bags will not be distributed onsite. Instead, Supporters of approved independent educational programs — such as Industry Supported Satellite Symposia, Non-CE Presentations, or Industry Showcases — will have the opportunity to create a custom digital marketing piece. This digital piece will be included in the Virtual Briefcase, accessible to attendees through the Digital Platform and Event App.

\$5,000

Promotional Email

Design your own email message that will be sent by ACTRIMS to MSToronto2026 attendees that opt-in to receive communications from Industry Supporters through the online registration process. The content may promote corporate initiatives, research, or sponsored activities taking place at MSToronto2026, such as an exhibit booth, Industry Supported Satellite Symposium, Non-CE Presentation, or Industry Showcase. Product information may not be referenced. Prior to distribution, the CE accreditor will review materials to verify compliance with requirements for separating promotion from accredited education, but it does not approve or endorse promotional activities. Industry Supporters may choose to send one email either up to two weeks before or within two weeks after the conclusion of MSToronto2026. This opportunity cannot be purchased a la carte. A separate sponsorship or exhibit booth purchase is required.

\$5,000

SPONSORSHIP

BRANDING & ADVERTISING OPPORTUNITIES

Event App Push Notification

\$5,000

Push notifications will be sent via the MSToronto2026 Event App to highlight upcoming programming. This high-visibility sponsorship opportunity is exclusive to organizers of approved Industry Supported Satellite Symposia, Non-CE Presentations, or Industry Showcases. Push Notifications are text only and must begin with "Supporter Message:." The CE-accreditor will review to verify compliance with requirements for separating promotion from accredited education, but it does not approve or endorse promotional activities. The date and time of each push notification will be jointly determined by ACTRIMS and the Supporter. Limit one push notification per Industry Supporter.

BRANDING

The Metro Toronto Convention Centre offers a variety of opportunities for high-visibility branding. Showcase your corporate or product branding in these high-traffic locations, reaching thousands of attendees each day. [Learn more](#) about branding options and pricing, which include production. All branding opportunities are exclusive to MSToronto2026 exhibitors.

SPONSORSHIP

ATTENDEE ENGAGEMENT OPPORTUNITIES

Coloring Zones

\$35,000

The 600 Level of the Metro Toronto Convention Centre — the first touchpoint before attendees enter the MSToronto2026 lecture halls — will include five lounge-style seating areas paired with coffee tables featuring meeting-themed coloring images adhered to their surfaces. Coloring illustrations may include the Toronto cityscape or neurology-inspired designs. The Industry Supporter may choose to have their corporate or product branding incorporated directly into the coloring illustrations — allowing attendees to color it as part of the artwork — or prominently displayed on the marker holders at each table. This dynamic space offers the perfect opportunity for attendees to relax, get creative, and contribute to a vibrant, collaborative artwork while connecting with peers. Production is included.

SPONSORSHIP

ATTENDEE ENGAGEMENT OPPORTUNITIES

Insight Lounge: Threads of Unity in MS

\$30,000

The Insight Lounge will provide delegates with an interactive experience as well as a comfortable and inviting space to relax and connect with colleagues throughout the meeting. Conveniently located just behind the Welcome & Poster Pickup Desk — where attendees can view the exhibition floor plan and poster presenters can collect their materials — the Insight Lounge is among the first areas attendees will encounter upon entering the exhibition through the Hall E entrance.

The backdrop of the Insight Lounge will feature a string art installation, offering attendees a creative and hands-on experience by wrapping string around responses to questions related to MSToronto2026's theme of "Unifying Multiple Sclerosis."

The Industry Supporter's corporate logo will be prominently displayed on the string art installation structure. Additional branding opportunities will be confirmed upon support and may include integration of the supporter's corporate color palette into furniture and décor selections. ACTRIMS will provide the Industry Supporter with a preview of the string art installation questions, which will have an educational focus. Production is included.

SPONSORSHIP

ATTENDEE ENGAGEMENT OPPORTUNITIES

MSToronto2026 Social

\$10,000

Celebrate the vibrant energy of Toronto during the MSToronto2026 Social featuring music, dancing, and a lively showcase of the city's culture. Sponsor recognition opportunities will be confirmed in Spring 2026.

Interview Studio Slot(s)

1 slot: **\$3,500** 2 slots: **\$3,000 each** 3 or more slots: **\$2,500 each**

Located in the NeuroNetwork lounge, the professionally operated Interview Studio provides the perfect setting to highlight your brand's presence at MSToronto2026. The studio is equipped with comfortable furniture, greenery, professional sound and video equipment, studio lighting, an MSToronto2026-themed backdrop, and a dedicated video technician to film the interview and provide the footage. This closed space features windows, and camera angles can be adjusted to include passersby in the background or focus solely on the interviewee. Interview slots are available in 45-minute increments of uninterrupted access and are monitored by a hostess to ensure a smooth experience. Post-production services are also available upon request for an additional fee, ensuring the interview footage is delivered ready to share.

SPONSORSHIP

Have a **Unique Corporate Initiative** You'd Like to Share with MSToronto2026 Delegates?

Initiatives that support an MS-relevant educational goal, highlight media or advocacy partnerships that raise awareness, contribute to MSToronto2026's theme of "Unifying Multiple Sclerosis," or align with ACTRIMS and ECTRIMS' values are encouraged.

Contact industry.mstoronto@actrims.org with your ideas and to discuss a custom sponsorship package.

EXHIBITION

Halls DE will be the go-to space for Industry related activities, including the exhibition and Business Suites, one-of-a-kind networking opportunities as well as daily refreshments.

Industry Supporters must complete the online [Sponsorship Request Form](#) to indicate their preferred exhibit booth location. Requests received by **Thursday, January 29, 2026**, will be prioritized and assigned according to the Industry Supporter’s total contribution to MSToronto2026. All remaining opportunities will be sold on a first-come, first-served basis. All assignments are final.

In addition to the recognition outlined with each opportunity, exhibitors will receive corporate logo recognition on the MSToronto2026 website with a link to their corporate website, recognition on select onsite signage, and a company listing with a link to their corporate website in the Digital Platform and Event App.

Booth Size	Price in USD	Complimentary Badge Allotments		
		Exhibitor Badges	Vendor Badges	Delegate Badges
10 x 10 sq. ft.	\$5,000	1	0	1
10 x 20 sq. ft.	\$10,000	2	0	1
20 x 20 sq. ft.	\$25,000	8	2	2
30 x 30 sq. ft.	SOLD	10	4	4
30 x 40 sq. ft.	SOLD	12	5	5
40 x 50 sq. ft.	SOLD	20	6	8
50 x 50 sq. ft.	SOLD	25	6	10

- **Exhibitor Badge:** provides access to the exhibition and Business Suite areas only. Access to scientific sessions is not permitted.
- **Vendor Badge:** exclusively for third-party vendors (e.g., hosts, greeters, baristas, photographers, etc.) hired by Industry Supporters to service their Exhibit Booth, Business Suite, or Executive Suite. Employees of Industry Supporting organizations cannot register as Vendors and must register as Delegates.

- **Delegate Badge:** provides access to scientific sessions and all areas of MSToronto2026.

Any additional registrations will be charged the prevailing rates. Vendor Badges are \$200. Delegate Badge pricing will be announced when registration opens on **Tuesday, March 24, 2026**.

EXHIBITION

Each 10 x 10 or 10 x 20 sq. ft. booth includes:

- Shell scheme structure with 8 ft. high white PVC wall panels. Corner booths will have open sides.
- One (1) fascia header with company name and booth number in black text for in-line booths. Corner booths will have two (2) fascia headers.
- Two (2) lighting locations (electrical not included and additional expense to exhibitor)
- Standard carpet (color selected by ACTRIMS)

10 x 10 or 10 x 20 sq. ft. exhibitors may brand the wall panels at their own expense. Please indicate interest in adding this option in the [Sponsorship Request Form](#) for follow-up. Attaching any materials directly to the shell scheme walls is prohibited.

Island Booths:

Island booths include space only, without furniture or equipment. Each Industry Supporter is responsible for contracting their preferred supplier(s) to design and build their custom space at their own expense.

EXHIBITION

Exhibit Hours Subject to change

Move-In

Only for island booths 30 x 30 sq. ft. or larger:

Saturday, October 17 8:00 AM – 5:00 PM

Only for island booths 20 X 20 sq. ft. or larger:

Sunday, October 18 8:00 AM – 5:00 PM

For shell scheme exhibitors:

Monday, October 19 8:00 AM – 10:00 PM

Tuesday, October 20 8:00 AM – 4:00 PM

Open

Wednesday, October 21 8:00 AM – 5:00 PM

Thursday, October 22 8:00 AM – 5:00 PM

Friday, October 23 8:00 AM – 12:30 PM

Move-Out

Friday, October 23 12:30 PM – 10:00 PM

Saturday, October 24 8:00 AM – 12:00 PM

Additional information:

- The Metro Toronto Convention Center is the exclusive provider of exhibit booth cleaning services. Additional cleaning fees will apply.
- A detailed Exhibition, Business & Executive Suite Manual will be provided separately to all confirmed exhibitors outlining policies and procedures for gaining access to the show floor, the required safety codes, product visibility, and more.

Educational Sessions in Exhibit Booths:

Exhibit booths may be used for MSToronto2026-approved gatherings, such as educational or “Meet the Expert” sessions. These sessions must be pre-approved by ACTRIMS, are limited to a maximum of 30 participants, and may only be held during breaks in the scientific program that are at least 30 minutes. The request form to host an educational or “Meet the Expert” session will be available in **April 2026** and must be submitted by **Wednesday, July 15, 2026**. Industry Supporters are responsible for all setup and audiovisual costs, including headsets, to eliminate sound amplification to surrounding exhibit booths and throughout the exhibition hall. All participants must remain within the Industry Supporter’s exhibit booth space during the session to ensure aisles are not blocked.

[View the Exhibition Floorplan](#)

NON-PROFIT EXHIBIT & SPONSORSHIP OPPORTUNITIES

Non-Profit Offerings

Non-profit organizations offering education, resources, or services to healthcare professionals or patients living with MS or other demyelinating diseases may purchase a discounted Virtual Briefcase Insert and/or exhibit space through the online [Sponsorship Request Form](#). Proof of non-profit status will be required.

Virtual Briefcase Insert

\$1,500

As part of MSToronto2026’s sustainability commitment, registration bags will not be distributed onsite. Instead, approved non-profit organizations will have the opportunity to create a custom digital marketing piece. This digital piece will be included in the Virtual Briefcase, accessible to attendees through the Digital Platform and Event App.

Exhibit

\$2,500

A limited amount of 10 x 10 sq. ft. exhibit booths are available with the following equipment:

- Shell scheme structure with 8 ft. high white PVC wall panels. Corner booths will have open sides.
- One (1) fascia header with company name and booth number in black text for in-line booths. Corner booths will have two (2) fascia headers.
- Two (2) lighting locations (electrical included)
- Standard carpet (color selected by ACTRIMS)
- Waste basket
- One black 30” table
- Two chairs
- One complimentary exhibitor badge, which provides access to the exhibition hall only. Access to scientific sessions is not permitted.
- Company listing with a link to the non-profit’s corporate website in the Digital Platform and Event App

BUSINESS SUITES

SOLD

Business Suites in Hall DE are available exclusively to exhibiting organizations that have purchased an exhibit booth 20 x 20 sq. ft. or larger.

Business Suites include space only, without furniture or equipment. Each Industry Supporter is responsible for contracting their preferred supplier(s) for the design and build of their custom space. The Metro Toronto Convention Centre (MTCC) is the exclusive provider of food and beverage services, and Industry Supporters are required to work with MTCC's exclusive providers for internet, electrical, and other services. All associated expenses are the responsibility of the Industry Supporter.

Industry Supporters must complete the online [Sponsorship Request Form](#) to indicate their preferred Business Suite size. Please note that space is limited, and preferred suite sizes cannot be guaranteed. Business Suite requests received by **Thursday, January 29, 2026**, will be prioritized and assigned according to the Industry Supporter's total contribution

to MSToronto2026. All remaining Business Suites will be sold on a space-available basis. All assignments are final. Business Suites are assigned for the entire duration of MSToronto2026.

A detailed Exhibition, Business & Executive Suite Manual will be provided separately to all confirmed Business Suite organizers outlining policies and procedures for gaining access to the show floor, the required safety codes (including the process for obtaining fire marshal approval), product visibility, and more.

Business Suite Size	Price in USD	Complimentary Badge Allotments	
		Vendor Badges	Delegate Badges
1,500 sq. ft.	SOLD	2	3
3,000 sq. ft.	SOLD	2	3
4,000 sq. ft.	SOLD	2	3
4,500 sq. ft.	SOLD	2	3

- **Vendor Badge:** exclusively for third-party vendors (e.g., hosts, greeters, baristas, photographers, etc.) hired by Industry Supporters to service their Exhibit Booth, Business Suite, or Executive Suite. Employees of Industry Supporting organizations cannot register as Vendors and must register as Delegates.
- **Delegate Badge:** provides access to scientific sessions and all areas of MSToronto2026.

Any additional registrations will be charged the prevailing rates. Vendor Badges are \$200. Delegate Badge pricing will be announced when registration opens on **Tuesday, March 24, 2026**.

BUSINESS SUITES

SOLD

Business Suite Hours Subject to change

Move-In

Saturday, October 17 12:00 PM – 5:00 PM

Sunday, October 18 8:00 AM – 5:00 PM

Monday, October 19 8:00 AM – 10:00 PM

Tuesday, October 20 8:00 AM – 4:00 PM

Open

Wednesday, October 21 7:30 AM – 6:00 PM

Thursday, October 22 7:30 AM – 6:00 PM

Friday, October 23 7:30 AM – 12:30 PM

Move-Out

Friday, October 23 12:30 PM – 10:00 PM

Saturday, October 24 8:00 AM – 12:00 PM

Guidelines:

- Limit of one Business Suite per supporting organization.
- Business Suites are intended for small group meetings and one-on-one conversations. They may not be used to exhibit a company's products or to host activities such as media briefings, press conferences, Satellite Symposia, Non-CE Presentations, or Industry Showcases.
- Business Suites may be used for ACTRIMS pre-approved gatherings, such as educational or "Meet the Expert" sessions. All approved activities are limited to a maximum of 30 participants, and may only be held during scheduled breaks in the scientific program that are at least 30 minutes.
- The request form to host an educational or "Meet the Expert" session will be available in **April 2026** and must be submitted by **Wednesday, July 15, 2026**. Industry Supporters are responsible for all setup and audiovisual costs. Sound amplification must be fully contained within the assigned Business Suite to avoid disruption to surrounding Business Suites.
- Industry Supporters should be mindful of the MSToronto2026 primary educational focus and respect attendees' time by limiting solicitation.
- Any noise generated must not be audible in adjacent Business Suites. Music or party-type

BUSINESS SUITES

SOLD

atmosphere of any kind is strictly prohibited.

- Industry Supporters are responsible for complying with all relevant industry codes and standards.
- Industry Supporters may not enter another Business Suite without invitation.
- ACTRIMS has the right to enter Business Suites at any time.

General Business Suite Design Policies:

- Business Suites are not exhibit booths and may not be fully open.
- Each Business Suite must include hospitality space in addition to meeting rooms; suites cannot consist solely of meeting rooms.
- To foster an inviting environment, up to approximately one-third of the suite's total cubic content may remain unwallled. The remaining two-thirds must be enclosed for small group or one-on-one meetings. Any unwallled area must feature a greeter counter staffed by the Industry Supporter.
- A maximum of 12 enclosed meeting rooms are included in the

above fees. Contact ACTRIMS if additional meeting rooms are required, which may be subject to additional fees per room.

- All décor and signage must be contained within the cubic footprint of the assigned Business Suite.
- Double-decker (two-story) Business Suites are not allowed.
- Solid exterior walls are required. Pop-up walls, roll-up banners, and Pixlip-style displays do not qualify as solid walls.
- Both corporate and product branding are permitted on interior and exterior Business Suite walls.
- All designs must be tasteful and considerate of neighboring Business Suites. ACTRIMS reserves the right to require modifications at the Industry Supporter's expense if a design obstructs visibility or creates an unfair barrier, even if it otherwise complies with the stated rules.

EXECUTIVE SUITES

SOLD**Room 401**

Outside the exhibition hall, Rooms 401 and 501 are available for purchase as Executive Suites. These spaces offer a professional, thoughtfully designed environment with additional in-room perks. See the following pages for full room descriptions. Executive Suites are available exclusively to exhibiting organizations that have purchased an exhibit booth 20 x 20 sq. ft. or larger. Executive Suite sponsors may also purchase a Business Suite.

Executive Suites include the meeting room only, without furniture or equipment. Each Industry Supporter is responsible for contracting their preferred supplier(s) for any décor or related services. The Metro Toronto Convention Centre (MTCC) is the exclusive provider of food and beverage services, and Industry Supporters are required to work with MTCC's exclusive providers for internet, electrical, and other services. All associated expenses are the responsibility of the Industry Supporter.

Industry Supporters must complete the online [Sponsorship Request Form](#) to indicate their preferred Executive Suite location. Executive Suite requests received by **Thursday, January 29, 2026**, will be prioritized; however, not all requests may be accommodated due to the limited number of suites available. Preferred Executive Suite locations are not guaranteed, and all assignments are final. Executive Suites are assigned for the entire duration of MSToronto2026.

A detailed Exhibition, Business & Executive Suite Manual will be provided separately to all confirmed Executive Suite organizers outlining policies and procedures for gaining access to the meeting space, the required safety codes (including the process for obtaining fire marshal approval), and more.

EXECUTIVE SUITES

SOLD**Room 501**

IMPORTANT: Access and Structural Limitations

Executive Suites are accessible only via passenger elevators; freight elevator access is not available. Industry Supporters requiring custom-built or extensively modified spaces must reserve a Business Suite.

- Room 501 is located at street level, allowing materials to be brought directly through the MTCC's exterior doors to the suite. However, please note there is no parking on the 500 Level. This area features a circular driveway designated for deliveries and passenger drop-off/pickup only. Temporary parking for quick unloading of materials or equipment is permitted; however, vehicles must be moved immediately after offloading. Industry Supporters are responsible for ensuring adequate staffing to facilitate a fast and efficient drop-off process.
- Room 401 is located one level above and can be accessed using the passenger elevator or the staircase from the 500 Level.
- The maximum weight capacity of the passenger elevator is 1800 kg.

EXECUTIVE SUITES

Room 401 (Terrace View Room)

SOLD

A modern, thoughtfully designed meeting room located on its own private level. The space features floor-to-ceiling windows that offer a beautiful east-facing view, along with a dedicated pre-function area and a private terrace. Click above the link to view the floorplan, dimensions, and capacities.

The Industry Supporter may design custom glass decals for along the Pre-Function Space, which will be viewable when looking up from the 500 Level Lobby. Corporate or product branding are permitted on the glass decals.

		Usable Area (Square Feet)	Ceiling Height (Feet)
Pre-Function Space	Virtual Tour	1,108	8
*Meeting Room	Virtual Tour	2,900	11
Outdoor Terrace		1,289	N/A

**Photo Gallery available via this link.*

EXECUTIVE SUITES

Room 501 (Park View Room)

SOLD

An extremely flexible street-level meeting space that can be divided into two areas by a partial operable wall. These two sections are typically used together but can provide a degree of privacy when needed. Features of Room 501 include east-facing views, floor-to-ceiling windows, a dedicated pre-function space, its own set of washrooms and an outdoor balcony. Click the above link to view the floorplan, dimensions, and capacities.

The Industry Supporter may create custom branding for the bottom half of the pillar closest to the entrance of Room 501, as well as full-pillar branding for the second pillar in the lobby area. Corporate or product branding are permitted on the pillars.

		Usable Area (Square Feet)	Ceiling Height (Feet)
Pre-Function Space	Virtual Tour	982	10
*Meeting Room (501A)	Virtual Tour	2,760	10.5/11.5
*Meeting Room (501B)		710	10.5

**Photo Gallery available via this link.*

EXECUTIVE SUITES

SOLD

Executive Suite Complimentary Badge Allotments:

Each Executive Suite includes one complimentary Vendor Badge and two Delegate Badges.

- **Vendor Badge:** exclusively for third-party vendors (e.g., hosts, greeters, baristas, photographers, etc.) hired by Industry Supporters to service their Exhibit Booth, Business Suite, or Executive Suite. Employees of Industry Supporting organizations cannot register as Vendors and must register as Delegates.
- **Delegate Badge:** provides access to scientific sessions and all areas of MSToronto2026.

Any additional registrations will be charged the prevailing rates. Vendor Badges are \$200. Delegate Badge pricing will be announced when registration opens on **Tuesday, March 24, 2026.**

Executive Suite Hours Subject to change

**End time may be extended for ACTRIMS pre-approved activities. See Guidelines.*

Move-In

Monday, October 19 8:00 AM – 10:00 PM

Tuesday, October 20 8:00 AM – 10:00 PM

EXECUTIVE SUITES

SOLD

Guidelines:

- Limit of one Executive Suite per supporting organization.
- Executive Suites are intended as welcoming, free-flowing spaces where Delegates may visit and engage informally with Industry Supporters throughout MSToronto2026. In addition to general Delegate access, Executive Suites may also be used for ACTRIMS pre-approved gatherings, including but not limited to Board and Committee Meetings, Internal Staff Meetings, Advisory Meetings, Focus Group/ Roundtable Discussions, informal Social or Networking Events, and educational or “Meet the Expert” sessions. They may not be used to exhibit a company’s products or to host activities such as media briefings, press conferences, Satellite Symposia, Non-CE Presentations, or Industry Showcases.
- All approved activities held during scientific programming hours are limited to a maximum of 30 participants and scheduled only during designated break periods of at least 30 minutes in duration or during the following approved times:

Wednesday, October 21

7:30 AM – 8:30 AM

6:00 PM – 10:00 PM

Thursday, October 22

7:30 AM – 8:30 AM

6:00 PM – 10:00 PM

Friday, October 23

7:30 AM – 8:30 AM

- Events with more than 30 participants must take place outside of scientific program hours. These events do not have a specific capacity limit, aside from what the room can safely support based on venue safety requirements and fire marshal regulations.
- The request form to host permitted activities will be available in **April 2026** and must be submitted by **Wednesday, July 15, 2026**.
- Industry Supporters are responsible for all setup and audiovisual costs. Sound amplification must remain fully contained within the assigned Executive Suite to avoid disruption to surrounding MSToronto2026 activities. Music or party-type atmosphere of any kind is strictly prohibited.

- Industry Supporters should be mindful of the MSToronto2026 primary educational focus and respect attendees’ time by limiting solicitation.
- To foster an inviting environment, Executive Suite Pre-Function Spaces must feature a greeter counter staffed by the Industry Supporter.
- All décor and signage must be contained within the assigned Executive Suite.
- Industry Supporters are responsible for complying with all relevant industry codes and standards.
- Industry Supporters may not enter another Executive Suite without invitation.
- ACTRIMS has the right to enter Executive Suites at any time.

INDUSTRY SHOWCASES

Industry Showcases are 20-minute presentations highlighting corporate MS initiatives, such as efforts to improve treatment access, raise awareness through media or advocacy, and share research innovations. Industry Showcases may also cover relevant research and data related to a specific drug, product, device, or service.

Up to nine slots are available at \$22,500 USD each on a first-come, first-served basis. These sessions will not be live-streamed nor recorded; they will only be held live in the Industry Showcase Theater within the exhibition, which has an approximate 200 person capacity. There is no scientific program running in parallel.

Industry Supporters may apply to host multiple Industry Showcases. Organizations that apply by the priority deadline of **Thursday, January 29, 2026**, will receive one

slot assignment. If an organization submits multiple applications, any additional slots will be assigned after the priority deadline, based on availability, and the Industry Supporter's total contribution to MSToronto2026.

To apply, Industry Supporters must complete the online [Sponsorship Request Form](#) and provide a preliminary session title and description, faculty information, and rank their preferred time slot. This information will not be published and is for ACTRIMS' review purposes only. Preferred time slots are not guaranteed. All slot assignments are final.

A detailed Industry Showcase Manual will be provided separately to all confirmed sponsors outlining policies and procedures to ensure a smooth presentation.

INDUSTRY SHOWCASES

Time Slots Subject to change

12:25 – 12:45 PM **SOLD**

1:00 – 1:20 PM **SOLD**

1:35 – 1:55 PM **SOLD**

Friday, October 23

10:05 – 10:25 PM Available

Additional information:

- Titles, dates, times, and appropriate disclaimer information will be listed on the Program Schedule page of the MSToronto2026 website. This information as well as program descriptions and faculty information will appear in the Event App and Digital Platform.
- MSToronto2026 will send one email to all pre-registrants outlining the full Industry Showcase schedule.
- Industry Showcase organizers may purchase lead retrieval services to capture attendee contact information.
- Up to two complimentary Delegate registrations for faculty or Industry Supporter staff are included.

GUIDELINES

Industry Showcase guidelines will be enforced to ensure that there are no disruptions to the program and are subject to change at any time without notice. Failure to adhere to these guidelines may result in [Sanctions](#).

Organization

- All Industry Showcase presentations must be tasteful, appropriate, and professional in nature while providing significant educational value.
- Industry Showcases are organized and entirely supported by third-party organizations with sponsorship contracts to be established between ACTRIMS and the sponsoring organization.
- The 20-minute time limit, including audience Q&A, must be strictly followed.
- Content may not include information or abstracts scheduled for presentation during the MSToronto2026 program.
- Due to the promotional nature of Industry Showcases, continuing education (CE) is prohibited.
- Faculty are to be invited by the Industry Showcase organizer. All faculty are required to present in-person at MSToronto2026 and must be present for the entire duration of the Industry Showcase. Virtual participation is not permitted. MSToronto2026 is not responsible for honoraria, registration fees, hotel accommodations, or travel expenses.
- If an Industry Showcase has more than one presenter, ideally an equal amount of female and male faculty is included. Diverse faculty representation regarding race and ethnicity must also be considered.
- Preliminary Industry Showcase information including session title, description, and faculty information that is provided at the time of application will not be published and is for ACTRIMS' review purposes only.

GUIDELINES

Presentation

- Product brand names may not appear in the title of an Industry Showcase. Generic brand names are acceptable. Scientific names are also preferred in any advertising materials, presentation slides, or materials presented or distributed.
- The materials presented during the Industry Showcase are the full responsibility of the organizers, including obtaining all appropriate copyright permissions and licenses for materials presented or distributed.
- The number of Industry Supported Satellite Symposia, Non-CE Presentations, or Industry Showcases in which any one participant may be involved as a speaker or chair is limited to two. If a participant is a chair and a speaker at the same symposium, non-CE presentation or showcase, it will be considered as only one activity. Organizers are responsible for communicating both policies to their faculty at the time of their first invitation to ensure compliance.
- Organizers are required to submit final agendas by **Friday, June 12, 2026**, and note any faculty or agenda changes from the original application. ACTRIMS will review faculty across all MSToronto2026 sessions to confirm there are not any scheduling conflicts.
- In cases where three or more sponsors feature the same speaker or chairperson, the first invitation from each organizer to the faculty member must be shared with ACTRIMS to verify that the rules have been followed. If so, preference will be given to the organizers that submitted their final agendas first.
- Industry Showcases will take place in the Industry Showcase Theater within the exhibition hall. Organizers must use the existing layout and AV. Any additional AV equipment requires pre-approval from ACTRIMS and must be ordered through the MSToronto2026 exclusive AV provider. Approved additional equipment and labor will be at the expense of the Industry Showcase organizer.
- Industry Showcase participants will receive headsets to eliminate sound amplification to surrounding exhibit booths and throughout the exhibition hall.

GUIDELINES

Disclosures

- All materials developed by the Industry Showcase organizer require ACTRIMS review and approval and must state: "This independent Industry Showcase is not included in the MSToronto2026 accredited program. No CE credit provided."
- MSToronto2026 will include the following statement on all program materials: "This activity is an independently supported presentation, not included in the MSToronto2026 accredited program. No CE credit provided."
- Organizers will be provided with a slide to display at the start of their presentation that includes the above statement.
- Any pre-event web, email, or social media campaigns developed by Industry Showcase organizers require ACTRIMS' pre-approval. The applicable disclosure statement must be included as well as: "MSToronto2026 registration is required to attend this independent Industry Showcase. Register online at MSToronto2026.org."

INDUSTRY SUPPORTED SATELLITE SYMPOSIA & NON-CE PRESENTATIONS

SOLD

Up to 14 slots for Industry Supported Satellite Symposia and Non-CE Presentations will be available at \$110,000 USD each. **Satellite Symposia programs offering certified continuing education (CE) credits are preferred; however, certification is not required to host Non-CE Presentations.** Accreditation is the supporter’s responsibility. Answers to FAQ are [available online](#).

What is the difference between Industry Supported Satellite Symposia and Non-CE Presentations?

The ACCME has established guidance regarding the types of organizations that may be eligible to be accredited. [Learn more](#).

- Organizations eligible to be accredited are those whose mission and function are: (1) providing clinical services directly to patients; or (2) the education of healthcare professionals; or (3) serving as fiduciary to patients, the public, or population health; and other organizations that are not otherwise ineligible.
- Companies that are ineligible to be accredited are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

	CE Satellite Symposium	Non-CE Presentation
Funding	Educational grant awarded to an eligible accredited provider	Provided directly from an ineligible company
Party responsible for educational content development	Eligible company	Ineligible company
Certification	AMA PRA Category 1 Credits™	None
Educational focus aligned with ACTRIMS/ ECTRIMS	✓	✓
Payment to faculty permitted	✗	✓
Faculty COI disclosed to learners	✓	✓
Use of promotional content and logos	✗	✓

INDUSTRY SUPPORTED SATELLITE SYMPOSIA & NON-CE PRESENTATIONS

SOLD

Timing & Schedule:

- Session Length: 60 minutes
- Wednesday, October 21: lunch sessions
- Thursday, October 22: breakfast and lunch sessions
- Friday, October 23: breakfast sessions
- Up to four slots may run in parallel during lunch, and up to three during breakfast

Slot Assignment Criteria:

Slot assignments will be based primarily on CE accreditation and total contribution from the educational grant supporter. Applicants will be required to rank their preferred time slot and provide an attendance estimate. This information, as well as adherence to the ACCME's requirement of a 30-minute break between the conclusion of CE accredited programming and non-CE presentations in the same lecture room, will be secondary slot assignment considerations. Applications received by **Thursday, January 29, 2026**, will be prioritized.

Next Steps:

1. Review [Guidelines & FAQ](#).
2. **Submit your application** by Thursday, January 29, 2026, for prioritization.
3. Proposals will be reviewed by the MSToronto2026 Scientific Program Committee.

The Scientific Program Committee and the MSToronto2026 accredited CE provider adhere to the Standards for Integrity and Independence as defined by the ACCME.

NEXT STEPS

1. Complete Sponsorship Request Form

Requests received by Thursday, January 29, 2026, will be prioritized and assigned according to the Industry Supporter's total contribution to MSToronto2026. Submission of a Sponsorship Request Form or Application to organize an Industry Supported Satellite Symposium or Non-CE Presentation constitutes an offer to ACTRIMS. A binding contract between the Industry Supporter (or CE accreditor, where applicable) and ACTRIMS will only be established upon issuance of an invoice by ACTRIMS. ACTRIMS reserves the right, in their sole discretion, to refuse any Sponsorship Request Form or Industry Supported Satellite Symposium or Non-CE Presentation Application.

[Sponsorship Request Form](#)

[Industry Supported Satellite Symposium or Non-CE Presentation Application](#)

2. Sponsorship Approval

- **Friday, February 20, 2026:** Industry Supporters will be notified of preliminary Sponsorship, Exhibit, Business Suite, Executive Suite, and Industry Showcase allocations for Request Forms that were received by the priority deadline.
- **Friday, May 1, 2026:** Notification of Satellite Symposium/Non-CE Presentation approval.

3. Complete Payment & Start Planning!

All invoices will be issued in USD. Check, wire transfer, or credit card payments will be accepted. A 4% processing fee will be added to the balance owed for all credit card transactions.

PAYMENT OPTIONS

Credit Card

Please notify ACTRIMS if paying by credit card as a 4% processing fee will apply.

Accepted card types:

Visa, Mastercard, American Express, Discover

Check

Made payable to:

ACTRIMS

7780 Elmwood Avenue, Suite 130
Middleton, WI 53562
USA

Wire Transfer

Contact industry.mstoronto@actrims.org to request domestic or international wire transfer instructions.

INDUSTRY SUPPORTER POLICIES

All Industry Supporters agree to abide by the guidelines outlined in the MSToronto2026 Sponsorship Prospectus and the [MSToronto2026 Industry Supporter Policies](#). Please be sure to review the terms of the Participation & Promotion Policy, with particular attention to the following key restrictions:

- Industry promotion and advertising is prohibited within a one-block radius of the Metro Toronto Convention Centre and all MSToronto2026 contracted hotels unless formally arranged as part of an official sponsorship through ACTRIMS.
- Promotional activities that involve door drops or require entrance to guest rooms at MSToronto2026 contracted hotels are strictly prohibited.

Industry Supporters also agree to comply with the requirements detailed in all supporting documentation, including, but not limited to, the Exhibition, Business & Executive Suite Manual, the Industry Supported Satellite Symposium & Non-CE Presentation Manual, and the Industry Showcase Manual.
